There are a limited number of the leave-behind brochures available through Extension Administration. To request a few, contact Vicki Pettit at 919.515.2811 or vicki_pettit@ncsu.edu. Please indicate your name and the shipping address.

Spanish

There are no additional copies of the Spanish version available.

If you wish to pay to have more copies of either version printed, Communication Services can ship the file to you or your printer on CD. The brochure can only be printed on a professional press because of its size and production values. To arrange your CD shipment, contact Jennifer Mitchell at jennifer_mitchell@ncsu.edu or by dialing 919.513.3106.
