Contact Robin if you have any questions about the certificate. Dr. John Russ will be your adviser in the certificate program. Your high school transcript or proof of GED and this form is required prior to the first day of classes. Dr. Russ will advise you on courses after he receives this form and your high school transcript or proof of GED.

The associate certificate is for students who are not currently enrolled in a college program or have not previously earned college credit. The only admission requirement is that applicants must have graduated from high school or completed the GED at least a year prior to applying for admission.
