Send documentation that you are currently enrolled in a degree program or a transcript showing that you have earned college credit at either the associate or baccalaureate levels by postal or email to:

Jocelyn Valdez

Department of Agricultural & Resource Economics

NC State University

Box 8109

Raleigh, North Carolina 27695

jpetata@ncsu.edu

Email this application to Jocelyn Valdez at jpetata@ncsu.edu.

Contact Robin if you have any questions about the certificate. Dr. John Russ will be your adviser in the certificate program.

Documentation that they are currently enrolled in a degree program or a transcript showing that you have earned college credit at either the associate or baccalaureate levels and this form are required prior to the first day of classes. Dr. Russ will advise you on courses after he receives this form and the documentation or transcript required.

The baccalaureate certificate is for students currently enrolled in an associate or baccalaureate degree program or have previously earned college credit at the associate or baccalaureate levels. The only admission requirement is that applicants have to present documentation that they are currently enrolled in a degree program or a transcript showing that they have earned college credit at either the associate or baccalaureate levels (completion of an associate or baccalaureate degree is not required).
