

## Agricultural Business Management (ABM) / Terra Green Landscapes Summer Internship Program

The Terra Green Landscapes Summer Internship Program allows majors in Agricultural Business Management (ABM) at NC State to spend their summer working with the leaders of our company in Charlotte, North Carolina in paid assignments that are related to their field of study. Terra Green's internships involve projects or responsibilities in landscape maintenance, landscape construction, and customer relationship management (CRM). Internships with our company will allow you to apply business skills in a real world environment, expand your network of professional contacts, and gain valuable experience with an industry leader. Interns in the ABM/Terra Green Summer Internship Program will **qualify for 3 units of college credit** provided they successfully complete the 12-week internship and complete the application process with the ABM Undergraduate Office.

### LEARNING OUTCOMES

**Industry Insight.** Acquire a comprehensive understanding of how a full service landscaping company operates and achieves its mission.

**Project Management.** Learn how to utilize project management tools to plan, lead, and deliver a project in the green industry.

**Leadership.** Discover the critical elements of our Leadership Model and apply our core competencies during your internship.

**Client Relationship Management.** Develop a complete understanding of how we connect and serve our critical stakeholder groups.

**Career Skills Assessment.** Learn more about your individual skills and competencies and the impact they will have on your career plan.

**Development Planning.** Develop a leadership development plan that you can take with you to continue to build your skills.

### HOW TO APPLY

If you are interested in applying for one of Terra Green's summer internships, you should submit your resume to [HR@terragreenlandscapes.com](mailto:HR@terragreenlandscapes.com). Should you have any questions regarding the internship program, feel free to contact Brew Brewington at [brew@terragreenlandscapes.com](mailto:brew@terragreenlandscapes.com).

### COMPENSATION AND HOUSING

Terra Green offers competitive compensation, housing allowances for students who must relocate to the area, holiday pay, and meaningful work projects.

### PROCEDURE FOR RECEIVING NC STATE COLLEGE CREDIT

Students should contact Dr. John S. Russ, ARE Undergraduate Coordinator, if they are offered an internship by Terra Green. He can be reached at [russ@ncsu.edu](mailto:russ@ncsu.edu). Dr. Russ will advise students on the process for obtaining ARE 492 credit for the internship. Students must complete the application process for obtaining college credit before internship work begins.
