

# Crop and Soil Science Graduate Student Association

NC STATE UNIVERSITY

CROP AND SOIL SCIENCES

## Willie Woltz Soil Science Lecture

Spring 2022

Tuesday, February 15 at 3:30 PM

### Dr. Rattan Lal

Presenting

## *“Soil Science for Food and Climate Security”*

#### Dr. Rattan Lal

Distinguished University Professor of Soil Science and Director of the Rattan Lal Center for Carbon Management and Sequestration at The Ohio State University.

Internationally recognized for his work in soil carbon sequestration for food and climate security, Dr. Lal has authored/co-authored over 1000 refereed journal articles, over 550 book chapters, and has written and edited/co-edited more than 100 books. Dr. Lal has mentored 115 graduate students and 182 visiting scholars

from around the world. He was President of the World Association of Soil and Water Conservation (1987-1990), International Soil and Tillage Research Organization (1988-1991), Soil Science Society of America (2006-2008), and the International Union of Soil Sciences (2017-2018). He is a member of the 2021 United Nations Food Security Summit Science Committee. Among his numerous awards, Dr. Lal has received the GCHERA World Agriculture Prize (2018), Glinka World Soil Prize (2018), Japan Prize (2019), U.S. Awasthi IFFCO Prize (2019), Arrell Global Food Innovation Award (2020), World Food Prize (2020), and India's Padma Shri Award (2021).

#### **Seminar will be streamed via Zoom**
