

## **Panaceutics Nutrition: In-Person Internship Opportunity**

Panaceutics Nutrition Inc. is a personalized nutrition company that has developed a non-pill based format for providing personalized formulas for nutrition applications. Panaceutics Nutrition's patented manufacturing platform allows for on-demand production of custom formulations that can be tailored for an individual or for small to medium size market segments in a liquid, drinkable format. Panaceutics is looking for an enthusiastic intern to assist with new product development.

### **Responsibilities**

We are seeking an intern to assist with ongoing product testing and research and development. The applicant will be involved in ingredient research, scale-up work, and conducting tests based on protocols. Using the knowledge generated by lab work, the applicant may be involved in product development activities including reformulation and process development.

- Provide support in formulation of suspensions
- Research and test formulation protocols, including sensory evaluation
- Research dosing amounts for formulations
- Provide analysis/testing of QA protocols

Deliverables will include short lab reports and data presentation as well as creating documentation of reformulation parameters.

### **Knowledge, Skills, & Abilities**

- Current undergraduate or graduate student in the sciences field with an interest in food and nutrition product development
- Strong computer and communication skills
- Ability to keep a lab notebook with detailed notes and perform independent research
- Interest to work in a fast-paced, start-up environment
- Capable of tasting fruit-based products
- Knowledge of Food Science and Nutrition as it relates to CPG products, Health and Wellness a plus
- Detail oriented and organized
- Flexible, eager, and willing to learn

**Paid internship with a flexible schedule, estimate of 25-30 hours during the summer and a minimum of 10 hours per week during the school year. This internship is fully on-site in Research Triangle Park, NC.**
