

Student Progress Reports for 2023
Due February 9, 2024 to Rachel McLaughlin (rmc@ncsu.edu)

Name _____

1. Present status:

a. Degree for which registered: _____ Month / year admitted: _____

b. Coursework (through December 2022):

(1) Credits earned: _____

(2) GPA: _____

(3) Plan of Work:

_____ Not completed

_____ Prepared and approved by committee

_____ Prepared and submitted to department

(4) Research / Project Proposal:

_____ Not completed

_____ Prepared and approved by committee

c. Dates of committee meetings held this year: _____

d. Dissertation / thesis / project working title:

e. Research status and progress:

f. Teaching experience status:

_____ Planned for which semester(s): _____

_____ Completed

Course # and name: _____

Credits received for teaching course: _____

g. Extension (outreach) experience status:

_____ Planned for which semester(s): _____

_____ Completed

h. Name of your extension mentor:

i. Publications/presentations/grants (indicate number for each category):

	Completed/submitted	In progress
Refereed publications	_____	_____
Abstracts	_____	_____
Trade, web-based, fact sheets, popular press, and symposium publications	_____	_____
Scientific meeting presentations	_____	_____
Industry & general public presentations	_____	_____
Grants	_____	_____

j. List a total of ten NCSU seminars you attended during Spring 2023 and Fall 2023. Eligible seminars include department seminars, JC Raulston Arboretum lectures, the CALS departmental seminars, final defense seminars, special university seminars. You may find this link helpful (<https://cals.ncsu.edu/intranet/events/>). On-line seminars count so long as they are true seminars and not short talks (like TED talks). They need to be about 40-50 minutes long and on an appropriate theme. While we hope you will patronize seminars in Horticultural Science, seminars in other departments can be used.
