

## CALS Excellence in Safety Award Nomination

All CALS SPA and EPA employees located on or off campus are eligible. Committee members, past or present, are not eligible for awards.

### What is the annual CALS Excellence in Safety Award?

This award recognizes two employees who promote safety through their action and encourage excellence in safety for their work environment.

### What will the successful nominee receive?

Each recipient of the CALS Excellence in Safety Award will receive a plaque and \$250.00.

### Award Criteria:

Examples of excellence could include, but are not limited to, one or more of the following characteristics:

- Demonstrated safety leadership
- Creative response to a workplace hazard
- Appropriate safety and hazard prevention orientation and ongoing training
- Documentation and training of all individuals within group (for example, an individual who takes responsibility for training on a piece of equipment for each individual who needs to use that equipment)
- Maintenance of workplace safety program through time (as personnel change)

Nomination Form: Only a complete form can be processed. Please include a narrative describing the reason for the nomination (maximum 2 pages).

Nominations forms are electronically due: **Tuesday, March 12, 2019 by 5:00pm**

Awards will be made during the CALS Awards for Excellence **April** luncheon.
