## About 10th Anniversary NU Tech Roundtable

The Technology Roundtable Series is a joint technology marketing effort by Nagoya University (NU) and its US technology transfer office, Technology Partnership of Nagoya University, Inc. (NU Tech), in cooperation with local universities in RTP. The first Roundtable commenced in 2010. The Roundtable 2019 is the tenth anniversary event and focuses on AgBiotech field.

Theme: AgBiotech

Many innovative cutting-edge research technologies with promising commercial potential from NU and participating local universities

Network opportunities with universities and researchers and startups in RTP

NU Tech  
One Copley Parkway  
Suite 305
